Penny	Alpert	V. A. Department of City Planning, Community Plan Update/VNY Airport Plan – Discussion/Action	<p>Thank you to the CAC for continuing to dialogue with neighborhood communities.</p> <p>I'm writing to voice my support for an updated VNY Masterplan that takes into account the quality of life for surrounding communities, as you consider growth of the airport. I'm curious what is going on with this, and when you will share the Masterplan with us?</p> <p>Also, want to voice my continued support for the FAA-VNY Southern departures RNAV Fix.</p> <p>Many thanks!</p>	10/5/2021	10/04/21 9:57 PM
Shaun	Robinson	III. PUBLIC COMMENT PERIOD	We are supporting the revision/update of the Van Nuys airport to alleviate the increased noise and pollution. We also want our neighboring communities to have a good quality of life. We oppose Van Nuys airport being a test airport for Amazon drone deliveries.	10/5/2021	10/05/21 11:22 AM
doug	Kriegel	V. A. Department of City Planning, Community Plan Update/VNY Airport Plan – Discussion/Action	It's clear that the increase in air traffic is a plague on neighborhoods in Encino and Sherman Oaks. There must be a return to the previous air craft routes.	10/5/2021	10/05/21 3:14 PM
Doug	Kriegel	V. A. Department of City Planning, Community Plan Update/VNY Airport Plan – Discussion/Action	What will it take to get a real curfew between 10pm and 7 am. Noisy plans are flying over Encino in the middle of the night, including at 4am..Don't you have any concern about impact on the surrounding communities?	10/6/2021	10/05/21 3:50 PM
Robin	M	III. PUBLIC COMMENT PERIOD	Enough is enough! This has gone too far! All day today (and EVERY SINGLE DAY), I was assaulted by low flying aircraft. Not one minute of peace. It's inhumane. I do NOT support this airport expansion. The volume of flights MUST BE reduced back to the 2016 levels. the fact that you are entertaining the idea of adding drone taxis is criminal. The toxic fumes, the noise....where does it end? Start supporting the people of this community. Why does Santa Monica get to shut down their airport and we have to be subjected to the pollution? It's truly shameful.	10/7/2021	10/05/21 7:24 PM
doug	kriegel	III. PUBLIC COMMENT PERIOD	I'm waiting to speak...will I be able to?	10/8/2021	10/05/21 8:05 PM
