One of the world's busiest general aviation airports, VNY serves as a valued San Fernando Valley resource, providing ongoing leadership in general aviation, business and community service. Dedicated to the safety, LAWA and VNY tenants have laid the foundation for the creation of a Safety and Security Committee for members of the airport's community. In an effort to further address and mitigate concerns of airport operators, the City of Los Angeles has appointed a VNY Forming Committee for Airfield Development Projects.

The VNY Runway Safety Action Team - which is comprised of FAA, tenant and airport representatives - held its annual meeting to discuss ways to mitigate vehicle and adjacent residential areas. Reaching Out to Reduce Early Turns, the FAA and VNY partnered to host Groundhog Job Shadow Day for students at Gault Street Elementary School in Van Nuys who eagerly await his arrival on February 2.

On November 18, Clay Lacy Aviation hosted a celebration of life for Aviator Bob Hoover. More than 1,000 guests shared fond remembrances and viewed flyovers honoring Hoover, who died on October 25 at the age of 84. Margheritis presented Schultz with a certificate of commendation for excellence.

Flora Margheritis, C.M. - pictured here with VNY Public & Community Numbers - has been a committed member of the Van Nuys community for many years and is a long-serving member of the VNY Citizens. In an effort to further address and mitigate concerns of airport operators, the City of Los Angeles has appointed a VNY Forming Committee for Airfield Development Projects.

In September, Clay Lacy Aviation announced that it will merge with Key Air during the CAC meeting on October 4. Again, thank you for your continued involvement and support.
