Los Angeles World Airports

AIRPORT ADVISORY NOTICE

Notice #2017-6

Date: Friday, January 20, 2017
Time: 12:40 PM
Subject: Airport Power Disruption – Some Tenants Affected

At approximately 12:00 noon today, the Van Nuys Airport experienced an electrical power service disruption. Currently this IS NOT affecting airport operations, the airport lighting system is operating normally.

As of this notice, only some tenants on the north and west side of the airport are affected. Also, LA Fire Station 90 and the Van Nuys Flyaway have experienced a loss of power.

Most major FBO facilities, with the exception of Aerolease East, Western Jet and Syncro, are operating normally.

LA Dept. of Water and Power has been advised and are working to resolve the issue.

At this time, the area to the east and north of Van Nuys Airport has been affected. Please use caution if you are driving to the airport through the affected areas.

NOTE:

For official NOTAM information, go to <https://pilotweb.nas.faa.gov/PilotWeb/> or contact a Flight Service Specialist at 1-800-WX-Brief (1-800-992-7433).
