VNY Airport E-Waste Recycling

provided by...!

Signature.
FLIGHT SUPPORT

Signature Flight Support will be providing E-Waste disposal to all airport tenants as part of our commitment to environmental responsibility.

What? E-Waste includes almost all office related electronic devices ready to retire. Recycling of these are important as this equipment is not biodegradable and will help our environment

Where? A refuse container will be located at our Southeast parking lot at 16233 Vanowen Street from Monday September 28th to Wednesday September 30th

How? Gather your relic machinery no longer in use (electronics only) and place them in the container marked E-Waste within the parking lot. Signature will then transfer all waste to a local recycling plant.
