

AIRPORT ADVISORY NOTICE

Notice #2023-029

Date: Monday, January 23, 2023
Time: 1:30 PM
Subject: New MVOP/ASMP Expiration Dates

Dear Tenant,

In an effort to streamline the VNY driver permit process, beginning January 1, 2024, MVOP and ASMP driver permits will coincide with the applicant's driver license expiration date.

Depending on when a license expires, a permit can be valid for up to 5 years. There will be an exception that is, if your license expires within 6 months of taking and passing your driver permit, you may return when you get your new license, and once verified, have your permit extended until your driver license expiration date without having to retest. Anything over six months would require a retest. Current permits will expire on the date stated on the permit.

Here are some examples:

1. MVOP test is taken on January 15, 2024, DL expires on March 1, 2024. The MVOP expiration date will be March 1, 2029, after verification of the new driver license.
2. MVOP test is taken on August 5, 2024, DL expires on November 15, 2025. The MVOP expiration date will be November 15, 2025
3. MVOP test is taken on July 10, 2024, DL expires on June 5, 2029. The MVOP expiration date will be June 5, 2029.

Please direct any questions to VNYMVOP@lawa.org.
