Board of Airport Commissioners:

At the April 1, 2025, Van Nuys Airport Citizens Advisory Committee (CAC) meeting, the CAC made the following motion.

SUBJECT: Based Aircraft Motion

Whereas the Van Nuys Airport Citizens Advisory Council requests that Los Angeles World Airports (LAWA) Van Nuys Airport Manager set up a database that monitors and records propellers, jet and helicopter aircraft, to provide an annual report in February to include the name of the lease/aviation companies with tail numbers (including governmental entities) for each, unless there is a superseding exception asserted by the Federal Agency (FAA).

Whereas the CAC and the public will be able to see which of the operators based at VNY and/or transient aircraft are making the most impact on the community contributing to noise complaints. The motion passed with a roll call vote of nine "yea" votes, zero "nay" votes, and one abstention. ("yea" votes: A. Avery, S. Brackett, R. Dahl, M. Harris, K. Mattoo, L. Petrus, E. Robinson, P. Winger, and W. Williams; abstention: B. Rodine)

Thank you for your consideration.
