

## INCENTIVE FUNDING ANNOUNCEMENT VNY Ground Support Equipment Incentive Program

Los Angeles World Airports is pleased to announce a new **VNY Zero-Emission Ground Support Equipment Incentive Program**. This incentive program offers to buy-down the cost of new zero-emission Ground Support Equipment (zeGSE) that replaces conventionally fueled GSE. The incentive program has the following goals:

- To reduce air pollution and noise from conventional internal combustion GSE.
- To encourage VNY GSE operators to transition from conventionally-fueled GSE to zeGSE.
- To replace conventionally-fueled GSE at VNY sooner than required by the VNY zeGSE Policy.

Owners of existing conventionally fueled GSE operating at VNY are eligible to apply under this incentive program. This may include, but is not necessarily limited to, ground support service providers, cargo transporters, parcel handlers, etc.

Application forms and additional information are included in the attached Funding Opportunity Announcement & Application Preparation Package. This can also be accessed through the VNY website at: [VNY Sustainability](https://www.iflyvny.com/vny-sustainability) (<https://www.iflyvny.com/vny-sustainability>).

Important Dates	
Program announcement and opening of application window (an email will be sent to all operators)	<b>June 5, 2025 (Thursday)</b>
<b>Applicant Virtual Workshop #1</b> Teams Meeting link: <a href="#">Click here to join the meeting</a> Meeting ID: 220 071 100 649 2 Passcode: 9bA7BB3S	<b>June 9, 2025 (Monday)</b> <b>3:00 to 4:00 PM PST</b>
<b>Applicant Virtual Workshop #2</b> Teams Meeting link: <a href="#">Click here to join the meeting</a> Meeting ID: 220 071 100 649 2 Passcode: 9bA7BB3S	<b>June 16, 2025 (Monday)</b> <b>3:00 to 4:00 PM PST</b>
